

Home design made simple.

At Belco Group your new home design or renovation is a simple 4 stage process.

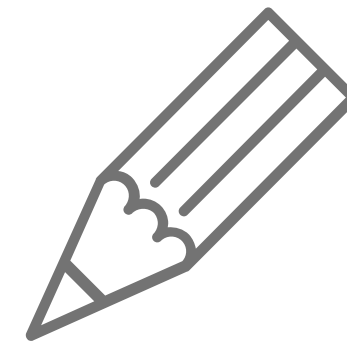

1. SKETCH IT UP.

- First Design meeting.
- Collect soil reports, surveys, bush fire and drainage information.
- First sketches - site plan, floor plan, elevations.
- The first invoice is due to cover reports and surveys.

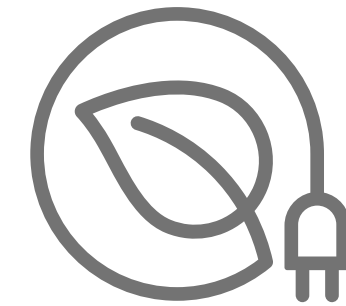

2. LET'S GET SPECIFIC.

- Structure of home now complete.
- Move onto design elements of your home.
- Second invoice due.

3. WORK IT.

- Working drawings commence production.
- Meet to discuss plans and any further amendments.
- Application for Developer Approval (if required).
- Third invoice due.

4. RED TAPE.

- We will submit requests for Final Energy Rating and Engineering.
- Final invoice paid.
- **Your plans are now complete!**
